BUĞU ÖNLEYICI

Description

A formulation with a long-lasting effect that prevents fogging on car windows, home and office surfaces, display windows, lenses, and mirrors.

Applications

Mirrors and glass

Benefits

- Prevents fogging on glass and mirrors while providing a shiny finish.
- Ensures a long-lasting clear view in all vehicles for safe driving.

Usage and Considerations

Ensure the surface to be applied is dry and clean. Spray on the interior surface of the glass to prevent fogging. Wait for one minute, then wipe the surface with a dry cloth.
