

BUZ ÇÖZÜCÜ

Description

Easily removes ice and frost from car windows in winter, ensuring a clear and safe view.

Applications

Mirrors and glass

Benefits

- Our product saves you from the hassle of cleaning windows on cold winter days as its special formulation helps delay the reformation of ice on your glass.
- It leaves no stains and removes ice from door locks.

Usage and Considerations

Spray on frozen or icy surfaces and wipe immediately with a dry cloth. Repeat the process until the desired result is achieved.
