

CAM SUYU ANTİFRİZİ (-18°C)

Windscreen Cleaning Fluid

Description

Windscreen cleaning fluid containing detergent and ethanol that prevents the freezing of the washer fluid and the windscreen washing system. Methanol-free.

Applications

It is used safely in all passenger cars and commercial vehicles for four seasons.

Benefits

- Prevents washer fluid from freezing, and frosting on the windscreen.
- Cleans dirt, mud, oil, insect, and plant residues.
